IMPORTANT NOTICE!

If you want to enjoy the "PANETTONE" in its whole softness, even during the cold season, keep it at room temperature, or warm for a minute in the oven. To cut "panettone" a knife with a toothed edge should be used whenever possible.

A perfect cut can be obtained by sliding the knife through the "panettone" in a horizontal direction (rather than by pressing down). When kept in its original packaging and stored in a cool dry place, this product preserves its freshness after the suggested date.
